

MIDDLE SCHOOL SCIENCE SUPPLY LIST

For your personal use, please bring these in the first week of school:

- 3-ring binder with filler paper in it (1-1.5" preferably with 2-3 pockets to hold current SDRs, handouts, and papers to be signed and returned)
- colored pencils

Do not put your name on these items -- they will be donated to the Science lab and used by everyone in the class. Bring these in the first week of school:

- 6th – please bring in 1 black Sharpie
- 7th – please bring in 1 roll of plain (not patterned) masking tape, about 1" wide
- 8th – please bring in 1 full-size box of tissues

For your at-home use and organization:

- 3-ring binder, folder, or in-box labeled "SCIENCE" — this is where you should keep all your notes, study guides and other handouts for the year once you are finished with them in class. You'll want them to use to study for the final exam.
