

A Message from the 4th Grade to their MOMS.

## Mom

*When I think of those  
I know and love  
I can't think of one  
You don't tower above.*

*You are better by far  
Than all the rest  
These four words say it all,  
"Mom you're the best."*

Thank you for being my mom!

# Mothers Day

*My mom is caring and helpful she is pretty and loving. She is smart and kind. She wants the best from me and my brother. She prays every morning and writes what's on her mind. She gets us anything we want and loves us. This is why I appreciate Mother's Day and why I love my mom.*

# Mother's day!

I love my mom very much! She is always the bright light to my day and I will always love her. Every Mother's Day, my brother, my dad and I would buy her flowers and chocolate for Mother's Day. We can't do that now though, but we will try to make my mom happy because she is the best and she deserves so much!

Dear Mom, I thank you for being my mom. Please have a wonderful Mother's Day.
