

E-SCRIPS PROGRAM GIFT-CARDS FUNDRAISING

How to Join the Program and Purchase Gift Cards

Scraps has 700 companies participating in the program. Different brands provide different rebates to our fundraising program.

- A. Send an email to parentsguild@academyolmc.org to request for your enrollment code.
- B. Download Scraps app or open <https://shop.shopwithscrip.com/Login>. Enter enrollment code emailed to you by parents guild.

B. Fill in your information. It is important that you identify **your child's grade and name**. Your rebate earnings will be counted under your child's name. All gift card purchases will help meet the annual required rebate earnings of \$125 per OLMC family.

C. Your friends and family can sign up for their supply of gift cards. Please tell them to **put your child's name and grade to credit their rebate earnings to his/her name**.

D. Set up your payment option by inputting your bank ACH# or credit card information:

1. ACH payment works like PayPal, checks or debit payments. It has a lower charge. To set up, input your bank routing and account # during your registration. **This has a flat rate charge per transaction of \$.015 (no minimum, no limit).**

2. Credit card: input your credit card info. **Charge per transaction is 2.6% of your purchase.**

What type of gift cards you can buy:A. **Physical gift cards:** Gift cards purchases are mailed to OLMC-PG every first and third Monday of the month. We will send your gift card orders through your child or in cases of school closure, email you dates for school pick-up.

Important note: these gift cards are re-loadable. For example, if you are gifting a card to grandma and would click for her to continue using it, you can reload it via Scrips. Keep barcode and pin numbers handy for cases like this.

B. **Digital gift cards** -will appear in your smart phone Scrips app and are

ready to use for online or store purchases. At purchase, barcodes or QR codes are scanned by stores or entered in on-line purchase. They are reloadable.

C. **Emailed gift cards** - barcodes or QR codes are emailed to you and are ready to use. These are NOT reloadable.
