Dear Sir or Madam,

Your assistance is kindly requested for **Project CHILD FIND**.

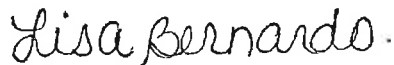

Project CHILD FIND is an initiative of the New Jersey Department of Education. The purpose of **Project CHILD FIND** is to inform parents/guardians and other interested parties (friends, neighbors, relatives, etc.) about free referral help that is available if they suspect their child has a learning or developmental issue.

Project CHILD FIND is a free referral service and public awareness campaign to assist in the identification of youth with a delay or disability from birth through the age of 21.

We are asking that you display the enclosed flyers in a public area at your place of business to help get word out!

We **need your help** in getting word out to the Bergen County Community! You can help our families, relatives and friends by posting these flyers in your place of business. Thank you in advance for your help. If you have any questions, please feel free to contact our office.

Sincerely,

Lisa Bernardo
