

2nd Grade Summer Assignments

Dear Parents:

In preparation for 2nd grade, students will be required to complete summer assignments in Reading, Language Arts, and Math. These assignments will help your child maintain and strengthen academic skills and ensure a great start to a new school year!

For Reading, students will be expected to read three books this summer and complete a short book report on each. A summer reading list and a book report form are attached. All book reports will be due the first week of school.

In addition, please have your child complete the packet of Language Arts and Math skills. The packet is also due the first week of school.

Have a wonderful summer, and I look forward to meeting you in September!

Sincerely,

Ms. Stephanie Gerlach
